Yo G-P here.

Thanks for all the positive feedback. So I guess me doing this is a thing now.

The next chapter is unfortunately less about husband and kitsune wife shenanigans and a bit more about worldbuilding I think.

You can expect it soonish.

Also, redrawing is a goddamn pain in the arse. And I'm out of good booze.

But hey, what is life without struggle.

Looks like some cheap czech dishwater will have to do today.

Take it easy.
